GOING INTO HOSPITAL? If you wish to see a Catholic Chaplain during your stay in hospital, you need to ask the hospital staff to contact him. There is always a priest on call for emergencies, but staff will not page the priest unless asked by patients or families. Patient's Religious Declaration, which a person when admitted to hospital, or a relative/friend, should give to ward-staff to ensure they can see a Catholic Chaplain. This can also be achieved through a verbal-request to staff. This is necessary due to the way confidentiality rules are applied in most hospitals.

Mass in Queen Elizabeth University Hospital- Father Raphael, (St Paul's Whiteinch) will celebrate Mass in the Sanctuary Room of the QEUH on Sunday afternoons at 4 pm. Please share this post so that it becomes well known for patients and staff. If you are visiting a relative in hospital on Sunday afternoons and they are fit to come down, why not accompany them to Mass?

November, a Time of Remembering.

Wednesday is the first of November when we remember all the souls in heaven – All Saints. Thursday, the second of November, and for the rest of November we pray for all who have died, that God will bring them through the purification of his love (purgatory) and into eternal life. We have invited all the families who have experienced a funeral this last twelve months to the Masses next Sunday. That 10am and 12pm Mass will be a specific opportunity to remember all our loved ones.

November Lists are available at the back of the church. It is traditional for Catholics to write the names of their loved ones on such a list. The lists are placed on the altar and during the month of November Holy Mass is offered everyday for all whose names are on the lists. It is also traditional to include a donation to the priest for saying the Masses.
