

New Year Blessing

From Archbishop Tartaglia, from the clergy and staff of the Archdiocese of Glasgow ... a sincere greeting at this New Year.

GOING INTO HOSPITAL? If you wish to see a Catholic Chaplain during your stay in hospital, you need to ask the hospital staff to contact him. There is always a priest on call for emergencies, but staff will not page the priest unless asked by patients or families. Patient's Religious Declaration, which a person when admitted to hospital, or a relative/friend, should give to ward-staff to ensure they can see a Catholic Chaplain. This can also be achieved through a verbal-request to staff. This is necessary due to the way confidentiality rules are applied in most hospitals.

Mass in Queen Elizabeth University Hospital- Father Raphael, (St Paul's Whiteinch) will celebrate Mass in the Sanctuary Room of the QEUH on Sunday afternoons at 4 pm. Please share this post so that it becomes well known for patients and staff. If you are visiting a relative in hospital on Sunday afternoons and they are fit to come down, why not accompany them to Mass?
